Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Thursday 27 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy with the occasional shower Friday.

This Evening and Tonight:
Increasingly cloudy for most overnight and generally dry, but a few outbreaks of rain are possible across northern and western areas through the early hours. Milder than Wednesday night. Minimum temperature 7 deg C (45 deg F).

Friday:
Cloudy and hazy on Friday, with occasional outbreaks of light rain throughout. South and east areas seeing the best of any warm sunshine. Maximum temperature 19 deg C (66 deg F).

Outlook for Saturday to Monday:
Sunny spells and perhaps the odd shower on Saturday. Largely dry with sunny spells through Sunday and Bank Holiday Monday. Warmer than of late.
